

Foundation Academy Family Referral Program

In an ongoing effort to help our families that promote Foundation Academy the Family Referral Program will continue to be offered.

- 1) After a new family applies, is accepted and enrolls at FA:
 - a. The **REFERRING FAMILY** (presently attending FA) will receive 10% discount off of their own family's FA tuition after all discounts are applied.
 - b. The **NEW FAMILY** will receive 10% discount off their own family's FA tuition after all discounts are applied.
 - c. **PLEASE NOTE THAT THIS APPLIES ONLY TO THE FA TUITION. NEITHER NILD NOR SGI TUITION IS ELIGIBLE FOR ANY DISCOUNTS.**
 - d. **DISCOUNTS DO NOT APPLY FOR ANY NEW FAMILY, CURRICULUM OR REGISTRATION FEES.**

- 2) Example: Mr. Lion (Referring FA parent) refers a new family, Mr. & Mrs. Cub to FA, with tuition of \$16,000 for two students. Mr. & Mrs. Cub completes the **online application** with Mr. Lion's name in the "REFERRING FAMILY" section of the application. Mr. Lion will receive \$1600 off his families' 2012-13 tuition and Mr. & Mrs. Cub will receive \$1600 off of their 2012-13 tuition (please note that the 10% is applied to the amount of the tuition after all discounts are applied).

- 3) When the new family submits the **online application** the referral **MUST** be made at that time.

- 4) If you refer enough families that your tuition balance is reduced to "zero" you can begin receiving a \$500 referral fee, back in cash, for each additional family you refer to FA.

- 5) This program pertains to enrollment for the 2012-13 school year.

- 6) The program begins on January 1st, 2012 and Foundation Academy reserves the right to extend or discontinue the program at any time.

- 7) Referring families that pay in full and qualify under this program will receive a check from the school. Families who choose the payment option through Smart Tuition will receive the discount on their monthly tuition charges.

Eligibility for referring families:

- Must be currently enrolled at FA for the 2012-13 school year

Eligibility for New Families:

- Must not yet be enrolled at FA for the 2012-13 school year
- Must not have attended FA during the 2011-12 school year
- Enrollment is always dependent upon available space

When promoting FA to prospective families, feel free to highlight the following items:

- Academically challenging curriculum, honors, AP, Dual Enrollment in MS/HS and Elementary Honors program for 2nd-5th grade
- Competitive Athletic program and member of FHSAA
- Student Leadership programs
- Award winning choral and visual art programs
- 100% college bound seniors, Class of 2011 received over \$930,000 dollars in Scholarship opportunities
- NILD Program (National Institute of Learning Development) available from K through 12th grade
- Accredited by both Association of Christian Schools International and Southern Association of Colleges and Schools
- Referral program becomes available to the new FA family, once enrolled they can begin to receive 10% discount on tuition for each of the **NEW** families they refer to the school
